**THERE'S A BIG ELECTION ON
NOVEMBER 8, 2022
AND YOU COULD MAKE HISTORY**

New York City wants to change the city Charter - it's the city's Constitution, and it determines **what** the city does and just as important, **how** it does it.

Voters will be able to **vote yes or no** on three ballot proposals. They will:

- ▶ Measure what it truly costs to live in NYC so that government programs will work toward economic stability for all.
- ▶ Establish a Racial Equity Office to ensure greater government accountability for advancing race equity.
- ▶ Redefine the values and expectations that guide our city's government such that it actively strives to make our city just and equitable for all New Yorkers.

WHY IT MATTERS
If the proposals pass, the city will be required to create a comprehensive strategy to advance justice, equity, and fairness for all.

YOU CAN FIGHT FOR RACIAL EQUITY IF YOU

- Spread the word
- Explain why it matters
- Inspire your community
