DUAL ENROLLMENT A HEAD START TO COLLEGE CREDIT

Students enrolled in College Now are 3x more likely to complete bachelors degree

Dual enrollment programs offer high school students the opportunity to earn college credits while still in high school, providing a head start on their college education. In New York City (NYC), there are various dual enrollment options available for students to explore.

Earn college credit before high school and graduation

Become college ready before high school graduation

WHAT OPTIONS EXIST IN NYC?

College Now, a FREE college transition program for NYC Department of Education (NYC DOE) high school students, started in the spring of 1984 at Kingsborough Community College with 449 students. Today over 22,000 students from over 470 NYC DOE high schools participate in College Now.

P-TECH schools are affiliated with a CUNY community college and offers students the opportunity to take courses toward an Associate degree, at no cost to the student. Each Grades 9-14 school also works with lead industry partners to support students in exploring careers and attaining skills needed to work in STEM industries.

Earn college credit before high school and graduation

College credit courses for pre-requisites and electives

Become college ready before high school graduation

Academic prep courses for college development, college readiness brush up and workshops, and pre-college courses

Learn about college and career process and access

College and career awareness and access courses as well as first year seminars, student development and campus visits

SEARCH FOR YOUR COLLEGE NOW CONTACT

If you cannot find your high school and/or contact when scanning the QR code, you can contact CollegeNow at collegenow@cuny.edu.

If you have questions about FutureReadyNYC partnerships, contact NYC Public Schools at futurereadynyc@schools.nyc.gov.

Partner schools will have the name of the College Now liaison (contact) who will help you enroll in a course. If a liaison is not listed, or if your school is not partnered with a program, you can contact the College Now program in which you want to participate directly.
