

Faith in Education

Energizing the NYC Faith Community on the State of Education in New York

HOW CAN I ADVOCATE?

You have the power and influence to communicate with members of your community, elected representatives and more to call for change!

ADVOCATE CLOSE TO HOME

Encourage families and students in your own community that you know to complete the FAFSA and explore dual enrollment options. Provide guidance on accessing resources and information related to financial aid and educational opportunities.

JOIN AN ADVOCACY ACTION

Participate in advocacy actions and campaigns organized by education-focused organizations. This can include traveling to Albany, participating at in-person and digital rallies, taking part in a sign-on and social campaign and more.

POST TO SOCIAL MEDIA

Leverage your own social media to spread the word and connect with family and friends who are passionate about these issues.

SHARE THESE MATERIALS

Leverage these materials and more to provide guidance and information to those interest in learning more about financial aid, dual enrollment opportunities and how to advance educational equity for all.
